At all these establishments, the specialty of the house is accommodation.

NON-SMOKERS AND SMOKERS WELCOME

All the establishments listed here have one thing in common: they specialize in making everyone feel welcome.

That's why they accommodate all customers – nonsmokers and smokers alike – according to their preferences. This simple gesture is proof of their commitment to customer satisfaction. It's also an excellent reason for you to go to places where you see the symbol of The Accommodation Program.

For free information about accommodation, please call 1-800-494-7444.
